NARRATIVE:

Alan Grace has an extensive adult criminal history that began at the age of 18. His convictions include robbery, multiple burglaries, possession of dangerous weapons, vehicle theft, evading police, hit and run property damage, attempted auto burglary, multiple cases of possession of controlled substances, receiving stolen property, attempted escape, false identification to a peace officer and parole violations. He has served multiple state prison terms, the longest being a 6 year term for receiving stolen property. Grace was released from state prison to the supervision of the Los Angeles County Probation Department on May 28, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2015 after he absconded from post release community supervision (PRCS). Grace qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
